Campus Your Day-to-Day Support

Go to your campus team when your need is related to your daily work as an educator.

They support you with:

- Classroom instruction and management
- Lesson planning and delivery
- Student-related concerns
- Campus procedures and expectations
- Professional feedback and coaching

If it's happening in your classroom today—**start with your campus.**

University/College Program Your Certification & Coursework

Go to your university when your need is related to your academic program or certification requirements.

They support you with:

- Coursework and assignments
- Certification exams (Content, PPR, etc.)
- Degree plans and graduation requirements
- Field experience documentation
- Academic advising

If it's tied to your classes, grades, or certification—**contact your university.**

THRIVE SBISD Your Apprenticeship Program Support

Go to THRIVE when your need is related to your apprenticeship program and district support.

They support you with:

- Required THRIVE training sessions
- Program expectations and compliance
- Funding, stipends, and incentives
- Progress monitoring and check-ins
- Navigating both campus and university expectations

If it involves the THRIVE program, funding, or required trainings—**contact THRIVE.**
